October Elections.

To-day, elections are to be held in Kansas, Georgia, and Florida.

In Kansas the election is for delegate to Congress, Territorial Legislature, and County Officers. MARCUS T. PARROTT is the Free State candidate for Congress, and EPAPHRODITUS RANSOM the Pro-Slavery Democratic. In Georgia, the election is for Governor and Congressmen. J. C. Brown is the Democratic candidate for Governor, and B. H. Hill the K. N. Eight members of Congress are to be chosen. Florida chooses a Governor, Legislature and Congressmen.

On the 13th, elections occur in Ohio, Pennsylvania, Iowa and Minnesota.

Ohio elects State officers and Legislature.—SALMON P. CHASE is the Republican candidate for re-election for Governor, against H. B. Payne, democratic.

Pennsylvania also chooses a Governor and other State officers, and Legislature. David Wilmot is the Republican candidate for Governor, against Wm. F. Packer, Dem.

In Minnesota, the people are to vote on the State Constitution, recently adopted in Convention, on the 13th of October. At the same time they are to elect State officers, and three members of Congress, pursuant to the State Constitution, and a delegate to Congress, to serve at the ensuing session until the admission of Minnesota as a State. Alex. Ramsey is the Republican candidate for Governor, and H. H. Sibley the Democratic.

In Iowa, the Governor and Legislature are to be chosen. R. W. Love is the Republican, and B. M. Samuels the Democratic candidate.

CORRECTION.—By a mis-apprehension, we stated, Saturday, on the authority of BRIDGE Brothers, that the *Bridgeport Bank*, Connecticut, had suspended. It was the *Bridgeport City Bank*, which they reported as failed. The error was ours.

DEMOCRATIC SENATORIAL NOMINATIONS.—At the convention held on Saturday for the 6th Senatorial District, comprising the 3d, 4th, 5th, and 8th Wards, and the towns of Franklin, Greenfield, Lake, Oak Creek, and Wauwatosa, Mr. PATRICK WELCH, of Greenfield, received the nomination. This district, in point of population, is one of the largest, and in commercial and business importance, altogether the most important in the State.

ANOTHER OF THEM.—The Democrats of the Madison, Dane County Senatorial District, have nominated for the State Senate, Mr. ANDREW PROUDFIT, the contractor for the $500,000 Lunatic Asylum. The nomination was forced down the throats of the anti-Barstow men, despite all remonstrances.

DETROIT & MILWAUKEE RAILWAY.—During the recent State Fair in Michigan, the excursion trains on the Detroit & Milwaukee Railway ran to Segunn, 160 miles west of Detroit.

THE WRECK.—The hurricane deck, wheel house, pilot house, &c., belonging to the steamship Central America, were seen on the 17th inst., about 50 miles north-east of Cape Hatteras, by Capt. Slocum of the schooner Townsend, bound from New York to Charleston.

Serious Explosion in New York City—One Person Killed, Thirty-Seven Wounded.

From the N. Y. Times of yesterday.

A few minutes after 5 o'clock, P. M., yesterday, the steam boiler of the Knickerbocker Plaster Works of J. R. King, Nos. 609 and 610, West street, suddenly exploded, demolishing the structure and two dwelling houses adjacent, and causing the death of one person, and severely injuring thirty others. The explosion was heard for several blocks distant, and the utmost excitement prevailed for a time in the neighborhood.—It was speedily known where the explosion occurred, and an immense rush of people was made for the scene of the disaster. At first it was believed that a large number of persons had been killed, and the calamity was reported to be the famed terrific Hague st. explosion. As the factory and buildings adjacent there was the wildest confusion and screaming for several minutes succeeding the explosion. It was nearly three hours before the full extent of the calamity was made known, and there was general surprise, as well as gratification, to ascertain that it did not prove more serious in its results.

The factory building had a front of 44 feet on West street, with 54 feet depth, and with 3 stories high. The boiler was in the cellar about the middle of the building on the north side.—At the time of the explosion there were some 8 or ten persons in the building. The force of the explosion levelled the entire structure to the ground. Two dwelling houses adjacent, Nos. 511 and 512 West street were also thrown down. In the last two buildings there were some 15 persons. In view of the fact that so many persons were in the three buildings, it is miraculous no more lives were lost. The police of the Ninth Ward and the firemen who were present, assisted at once in rescuing those who were buried beneath the ruins. The name of the woman killed was Catharine Duggan, and of the thirty seven persons injured, the majority was not seriously hurt. Their number and extent of their injury are before us but they possess only local interest.

DEFALCATION.—Dishonesty in pecuniary transactions seems to have invaded every circle.—The American Sunday School Union, of Philadelphia, have published a card announcing the defalcation of the Corresponding Secretary, Mr. F. W. Porter, for an amount believed not to exceed $38,683. He has issued notes and acceptances at various times to that amount without entering them upon the books of the Society.

NOT ALLOWED TO VOTE.—The foreign-born citizens are not allowed to vote in the coming election in Kansas. It is necessary that they have full papers. Under the organic act they had a right to vote, but the Bogus Legislature passed a law which cuts them off entirely. The Know-Nothing Democratic Governor, Walker, has therefore ruled out the Dutch and Irish as citizens of Kansas. So much for the assistance that class of our citizens rendered to put Buchanan and his Know-Nothing allies into power. —*Watertown Chronicle.*

Money Matters in New York.

The following banks have been thrown out to-day: The Bank of Lima, Leonardsville Bank, and Hamilton Exchange Bank of this State, and the Pawtucket Bank, Conn. From the Suffolk Bank the advices are that the New England Banks are still firm. We hear of no new important mercantile disasters although rumors were current of several.

Trade, however, is quite dull among the jobbers and many descriptions of goods are selling at a heavy loss. The stock carried over will probably be large, and the Spring importations light, a consummation most devoutly to be wished. The brokers are buying uncurrent money and domestic exchange very sparingly, and the amount of the former offering in the street is not so large as might be expected. Rates are too unsettled for quotation. Land warrants are unsaleable, and have been for some time past.

The Illinois Central Railroad pays its coupons to-morrow. The Milwaukee and Mississippi Road pays on its First Mortgage Bonds, but defaults on its Income Bonds and on its floating debt.—The La Crosse and Milwaukee Road was served with an injunction to day, granted by Judge Peabody, to prevent the payment of the coupons due to-morrow on what are called the "corruption" bonds. We learn from a reliable source the following facts relative to the securities of the Jersey City Banks:

The Hudson county Bank has State Stocks and Newark and Jersey City Bonds, worth $135,000, to secure an outstanding circulation of $60,000.

The Bank of Jersey City has similar stocks and bonds, amounting to $99,500, to secure $66,000 circulation.

The Mechanics' and Traders' Bank has $118,000, principally in Newark and Jersey City Bonds, against $80,000 circulation.

The New York Cattle Market, Oct. 1.

A more disconsolate class of persons could hardly have been found down town to-day than we saw among the cattle dealers at Forty-fourth street, especially those who had paid more for their cattle one to three weeks ago in the country than they could get for them at the present market. Cattle were sold at Forty fourth street to-day at lower prices than we have quoted during the past year, or an average of ½@c per pound less than last Wednesday's low rates.—Therewere two substantial reasons for the additional decline, viz: plenty of cattle and *not* plenty of money. There were 2,836 fresh beeves yarded at Allerton's for to-day's market, or 450 more than last Wednesday.

For the week ending last night, the footings at all the city markets, including Bergen, give 3,859 against 3,625 of last week. This was some 500 head more than was sold after a hard day's work on the part of the brokers. We do not remember the day when so much dullness pervaded the markets, notwithstanding the apparent show of activity by frequent changes from different yards. Much difficulty is experienced by Western men in finding suitable salesmen for thier cattle, who will guarantee them their money to return with. Some droves remained in the yard till a late hour this morning before parties could be found willing to take hold of the stock.

U. S. COURT.

JUDGE MILLER PRESIDING.

The suit of NEWCOMB CLEVELAND against the La Crosse & Milwaukee R. R. Company, for damages growing out of a violated contract which has occupied the U. S. District Court for nearly two weeks, was given to the Jury, after an elaborate charge by the Judge, on Saturday afternoon. The Jury, after being out two hours, returned a verdict for the plaintiff, CLEVELAND, of $111,727.75. The counsel for CLEVELAND are, Messrs. JAS. S. BROWN, and WM. P. LYNDE, of this city, and Mr. M. H. CARPENTER, of Beloit and for the Company, Messrs. J. E. ARNOLD and M. M. STRONG, of this city, and Judge DOOLITTLE, of Racine. Immediately after the rendition of the verdict, the Court adjourned till Monday.

MEETING OF MERCHANTS.—A meeting of merchants and others, called on short notice to consider ways and means for inducing the marketing of the wheat crop immediately, was held at the board of Trade rooms on Saturday evening. The general impression among dealers seemed to be that there is currency enough to buy the grain, if farmers could be induced to sell at a fair living price. A Committee was appointed to report this evening, at an adjourned meeting.

The following are the Committee:

L. SEXTON, JOHN WOODFORD, GEO. LEFEVRE, J. J. TALLMADGE, and JAS. BONNELL.

DEMOCRATIC REFORM MEETING.—There was a rousing meeting of Reform Democrats in the Ninth Ward on Friday evening. Dr. HEUBECK MANN addressed the meeting in German, and DOMINICK CASEY, in English. The sentiments of the speakers and the doctrines laid down in the Reform Manifesto, met with hearty responses.—The Ninth Ward, like the First, Second, Fifth, Seventh and Eighth, repudiates the Barstow cross and goes in for genuine "Democracy."

STATIONERY, BLANK BOOKS, INK, &c.—Messrs. NEIDECKEN & Co., at 219 East Water, are in receipt of their Fall stock of Stationery, and it is no exaggeration to say that for quality, variety and extent, it is equal to any yet brought to the West. Their assortment of Note and Letter Paper, of Envelopes, of Pens, of Ink, of Copying Presses, of Blank Books, of Portfolios and Portmonaies, of Ink-Stands, of Paints and Pencils, of Engravings, &c., is complete and ample. Their specimens of rich and tasteful bindings cannot easily be surpassed. In fact, there is nothing in their line that cannot be found at their store, and purchasers, at retail or wholesale, will do well to give them a call.

HORTICULTURAL SOCIETY EXHIBITION.—We invite the attention of the cultivators and admirers of Flowers, Fruits, and Vegetables, to the announcement of the Annual Exhibition of the Horticultural Society, which takes place at the Albany Hall to-morrow afternoon and evening.

We do not doubt that there will be a display which will reward the visitor amply for his attendance.

LA CROSSE & MILWAUKEE R. R.—We noticed yesterday, the new advertisement of this road, under the late arrangement, and mentioned that Mr. E. H. GOODRICE was now the manager of the main line, and W. R. FREEMAN of the Water town Division. We were in error as to the name of the latter gentleman. It should be D. C. FREEMAN, formedly the Superintendent of that Division. We learn further that he has leased that division on the same terms as Mr. Chamberlain has the main line.

THE WEATHER.—Saturday was what might be called an agreeable autumn day. The heavy dark clouds which had been discharging themselves upon us for several days previously, made way for others of a brighter and more cheerful hue, and we enjoyed our usual amount of sunshine.

NEW YORK ILLUSTRATED PAPERS.—McSORLEY & Co., at their News Depot, on East Water street a few doors north of the *Sentinel* office, are in receipt of the New York Illustrated papers of last week, and among them *Frank Leslie's*, containing full details and illustrations of the *Central America*.

THEATRICAL.—We learn that Mr. MCFARLAND, long the manager of the Metropolitan Theatre at Detroit, where he has fairly earned a good reputation in his line, was in town on Saturday with a view of leasing a suitable hall and theatre in this city.

TAKE HEED.—Dr. Tilton has returned to the Massasoit House, Chicago, where may be obtained of Dr. James wonderful and celebrated extract of Garabit's Indica.—His son-in-law, Dr. Thomas Pitton, will supply you with either, personally or by Express. It is a sure and speedy cure of the worst cases of consumption, bronchitis, asthma, nervous debility, coughs, colds and sore throats.—We know this to be a fact. Try it and live.

P. S.—By addressing Dr. Tilton a note through the Chicago Post Office, inclosing four stamps, (12 cents), a recipe will be sent in return, free of charge, to any part of the Union. DR. TILTON,

LATEST NEWS!

BY MAGNETIC TELEGRAPH.

PITTSBURGH, Oct. 2—3 P. M.

This morning the building on 4th street, occupied by John M. Irwin, chair and furniture manufactory, and by Seaman & Co., as a cabinet warehouse, was burned to the ground. The walls gave way during the fire, and three firemen, who were on the building, were seriously, if not dangerously injured. Irwin's loss is $8,000 insured for $100 in the Farmers Insurance Co. Philadelphia. Seaman's loss is $2,000; not insured. The building was owned by C. H. Palmerston, and was insured for $1,000 in the Farmers & Mechanics Co., Philadelphia. A Law Office adjoining, belonging to G. W. Sheldon, was crushed by the falling walls.

ST. LOUIS, Oct. 2—3 P. M.

Gen. Denver, Commissioner of Indian Affairs, just arrived from Nebraska, reports having made a full and satisfactory treaty with the Pawnee Indians at Table Creek, on the 24th ult.

The Lexington (Mo.) Express announces the arrival of Capt. Russell, from Salt Lake, who states that the Mormons have fortified Fort Bridge, with the declared intention of defending it against the passage of the United States troops. Russell reports the depredations of the Cheyennes as unabating, and daily growing of a more aggravating character.

NEW YORK, Oct. 2—3 P. M.

Messrs. Clarke, Dodge & Co., bankers, have suspended.

The Powell Bank, of Newburg, is thrown out to-day.

The departure of the California mail steamer is postponed until the 7th, when the St. Louis will take the place of the Star of the West.

PHILADELPHIA, Oct. 2—3 P. M.

The papers announce that the Reading R. R. Co. was unable to meet their payments yesterday, and suffered their notes to be protested.—This is a blue day for stocks. There were no sales of Reading—10 was bid.

The Pennsylvania Bank will not go into line until Monday next.

BOSTON, Oct. 2—3 P. M.

Messrs. J. W. Clarke & Co., bankers, suspended payment this morning.

NEW YORK, Oct. 2—9 P. M.

This has been a gloomy day on Wall street.—The suspension of Clark, Dodge & Co. exercised a most depressive effect upon the market, already burdened to its full capacity to sustain.

Owing to the failure of the Southern mail from here on Thursday to connect at Philadelphia and to reach here to-day, about $00,000 dollars, which should have been liberated to-day, will remain in the Sub-Treasury till Monday.

The feeling of the Stock Exchange is now a total depression. It records a serious shock by the failure of Clark, Dodge & Co., who were supposed to stand above a casualty. The sole cause of their suspension is said to be the blockade in Exchange. They have a surplus of over two millions.

The only additional failures of note are Elli Bowen, McConnel & Gage, Sloan and Dayton.—The receipts at the sub-treasury were 40,00 dollars and the payment 2,855. The receipts include $20,000 transferred from Boston. The Reading R. R. went to protest in Philadelphia yesterday; only a note for $10,000. The Company continues payment of their coupons, and there will be no interruption in the trains of the Road. The Banks report that payments have been very prompt to-day, and the Banks have shown commendable liberality and rendered assistance judiciously in numerous cases.

CINCINNATI, Oct. 3—9 P. M.

The result of the day in the money market is more favorable than was expected. Not one important failure. A good deal of third and fourth class paper was protested, but none of the first or second class Houses. The entire business community is surprised at the result, as a large number of failures were fraud.

INDIANAPOLIS, Oct. 3—9 P. M.

The Indiana State Fair opens on Monday. A large number of entries were made yesterday and to-day of stock and machinery. Exhibitons in stock will far surpass those of former years.—Weather cloudy.

NEW YORK, Oct. 3—9 P. M.

The Vanderbilt line steamer Ariel, Capt. Ludlow, left to-day for Southampton and Bremen with 77 passengers.

PROVIDENCE, R. I., Oct. 3—9 P. M.

The Rhode Island Central Bank was temporarily enjoined to-day on application of the Bank Commissioners. Its assets are believed to be considerable above its liabilities.

BOSTON, Oct. 3—9 P. M.

The money market to-day has been stringent, but a spirit of accommodation and aid from the Banks prevailed. The merchants have stood the test, though there are a few failures to report.—The only ones of note, however, are J. Frothingham, Jr. & Co., commission dry goods merchants, and Sweetzer, Gookin & Co., dry goods jobbers, both large concerns, and J. W. Clarke & Co., bankers.

Bank stock is selling low.

Many of our merchants took up their notes today falling due on Monday.

The workmen of Chickering & Co., piano forte makers, held a meeting to-day and voted that they were able and willing to go without their weekly pay until matters eased up.

There are reports reflecting upon other concerns, and a few minor failures are noted.

SPRINGFIELD, Mass., Oct 3—9 P. M.

The trot between Flora Temple and Lancet, commenced at 3 o'clock this P. M. Henry Fuller, of this village, Elijah Simmons, of Albany, and Peter DuBois of N. Time 2:39½, 2:32, and 2:32.—Lancet was hardly a length behind either time. There were 80 or 100,000 persons present.

There is a doubtful report via Ceylon, that the ravages of the cholera among the troops before Delhi had compelled them to retire to Agra.

A plot had been discovered and thwarted to massacre the Europeans at Benares and Jessore. There had been severe actions with the rebels at Agra and Azinghur. Martial law had been proclaimed at Behar. The GOV. General's body guard had been disarmed.

Gen. Lloyd had been removed from the command at Dynapore, and Sir James Outram succeeded him. Several additional native regiments had been disarmed, and others were thought to be wavering. The troops at Seganee had mutinied and killed their officers. A detachment of 600 European troops attacked the mutineers at Arrat, and were repulsed with a loss of 200. At Aqua the Kate Contingent and other rebels had been entirely dispersed.

According to the latest authentic news from Delhi, not only were the Europeans still before the place, but they had been strongly reinforced and a general assault was expected in a few days.

The Paris *Debate* says—"Although the official dispatches represent England as still holding out at Agra, who have reason to believe this intelligence will not be confirmed, and that the heroic garrison has been destroyed with the women and children under its protection."

The Atlantic cable is to be taken out of the Niagara and again stored in Plymouth dock-yard, until next year. The work of raising the submerged cable has commenced.

A large engineering firm of high standing and great wealth, have expressed their willingness to lay the cable on the following conditions:

That for a stated price they will, with the aid of Government vessels, take all the trouble and risk off the hands of the Company, and have the cable laid from Ireland to New Foundland by June or July next; or failing, they will not only claim no recompense, but will pay to the Company the entire cost of the cable.

In the event of the cable being laid before June the stipulated price to be increased at so much per month for each month gained. The offer is a bona fide one. In regard to the report that the telegraph communication between the Niagara and the shore was suspended several hours before the breaking of the cable, it appears that during the said time messages were constantly received from the ship, but the operator at the shore end had nothing to say, said nothing, and his silence gave the impression on board that tee line had ceased to work.

TEN YEARS'
ACQUAINTANCE WITH
West's Cement Roofing.

SUCH FACTS as are herewith and have heretofore been presented to the public, where this roofing material has been used, any considerable length of time, that mere representations of the designing and unscrupulous have failed to seriously injure its reputation or impair the confidence of a discriminating public.

It is very well known that a large number of the most elegant residences, commercial blocks and public edifices everywhere in this city are under the protection of this *fire and water-proof roofing*, and that it has given such universal satisfaction here as elsewhere, that the demand for it this season is more than double what it was last year, notwithstanding the strenuous efforts made to introduce various other articles for a similar purpose.

SYRACUSE, June 14th 1857.

The undersigned has been acquainted with West's Galvanic Cement, for nearly *ten years past*, and has had it applied to in buildings in several instances. He is so well satisfied with its durability and general *fire and water proof qualities* that he has applied it to some new buildings which he has erected during the past winter and spring.

There is no doubt but the *cement* is in better repute here *than ever before*. A. CRIPPEN.

SYRACUSE, June 16th 1857.

This may certify that I had a building covered with West's Galvanic Cement some *four or five years* ago and at the time of its destruction by fire last fall the roof was perfectly tight.

I have no hesitation in recommending the cement to those who wish to procure good and lasting roofs.

N. B. When the building was burned, the *roof did not take fire at all* until the roof boards burned through.
ALEXANDER DUFF.

SYRACUSE, June 19, 1857.

The undersigned occupied a building covered with West's Galvanic Cement, which was burned in the great fire last fall. The roof had been on 10 years and at the time of the fire was apparently as good as when first put on. That fire was down in perfect torrents of flame directly upon the roof, and it did not take fire, and when the walls fell the roof was entire except where the burnt boards were burned completely through; *there could not have been a more thorough trial by fire* and *nothing could have stood the test better* than this roof did.
E. HAMMOND.
G. F. JOHNSON.

SYRACUSE, June 18, 1856.

West's Cement Roofing is more extensively used here and in all the large towns than it ever was before.

This roofing composition rests upon its own merrits, and *where it has been used it needs no recommend.* There are hundreds who have had roofs on from *two to five years and not one has failed* that was well done. *It will last twice as long as the best tin.*
M. F. GRAVES.

MILWAUKEE, July 27, 1857.

I have been a resident here twenty-two years, laid the *first brick* and helped put on the first chimney in this city, and have been a builder ever since, am acquainted with all kinds of Roofing, and, in my estimation *West's Galvanic Cement* is superior to any other in use *in all respects.* WILLIAM SEYFER.

I have been extensively engaged in building for nearly twenty years in the city of Boston, and am acquainted with various kinds of Roofing material. I regard *West's Composition Roofing* as the best article for covering buildings now in use. I have had it put on a dwelling house which I have built this season for myself.
Oshkosh, August 1st, 1857 GEO. CHASE.

To the proprietors of West's Patent Galvanic Roofing:

GENTLEMEN:—We are some of the numerous proprietors of this city who have availed ourselves of the advantages which your Galvanic Composition Roofing Material affords, and we most cheerfully and unhesitatingly say, that our experience and observations thus far, fully sustain and corroborate the proof you have heretofore presented to the public, through the Milwaukee press, of the *superior claims of your roofing material.*

Austin, H. A. Nichols, Martin & Rogers, builders, H. H. Camp.

Within the past year I have paid Three Hundred and Seventy-Three Dollars for repairing leaky and defective roofs. The Composition used for such improvements is known as West's Galvanic Cement. I am well satisfied from the value received for the expenditure and of the superiority of this article for roofing purposes, over any other article now in use, that I have engaged to have it applied to the building, which I am having erected on the corner of East Water and Michigan sts.
ALEXANDER MITCHELL.

From our knowledge of the composition for covering buildings, buildings, known as "West's Galvanic Cement" for some time, which has been very extensively used in this city for a year, with perfect satisfaction to those who have adopted it, we most cheerfully recommend it as superior to any other article

Waukesha, Sept. 19, 1857.

Four Weeks to Election.

The Annual State Election is to be held on Tuesday, the 3d of November, just *four weeks from to-morrow*. In this brief interval all the work of preparation is to be done, and it is to the necessity of setting about this work, *without delay*, that we desire to call the attention of REPUBLICANS throughout the State. We entertain no doubt of the success of the Republican ticket. The popular sentiment of Wisconsin on the great *living* issue of the day is sound to the core. In the contest between the Anti-Slavery, or Republican Party, and the Pro-Slavery or Sham Democratic Party, Wisconsin will be found, now as heretofore, on the side of Liberty and Right.

But we have something more to do than merely elect our ticket. We should not be content with a small majority. It should be the aim and the labor of every true Republican, of every lover of Liberty and every hater of Oppression to swell that majority to the highest mark. Let the voice of the Freemen of Wisconsin thunder in the ears of those faithless servants at Washington who have announced and seek to enforce the abominable doctrine, *that the Constitution legalizes and protects Slavery in every foot of United States Territory*. Let the solemn protest of Wisconsin, against the sins and attempts of the Slavery Propagandists, to curse Kansas with that blasting iniquity, be once more recorded in characters that all may read. Let the indignant rebuke of Wisconsin, of the infamous doctrines embodied in the *Dred Scott* decision, be uttered in tones that all may hear.

A FULL VOTE will ensure a crowning Republican triumph. See to it, then, friends of the good cause, that such a vote is got out on the 3d day of November. Set about your organization straightway. Put your candidates for Legislative and County Offices early in the field. Select strong and good men for these posts of honor and of duty; and let them proceed, *forthwith*, to canvass their respective districts thoroughly. Circulate Republican documents and newspapers in the dark corners of the different counties.—Arouse REPUBLICANS everywhere to the necessity of devoting a few days to the business of preparation, and to the binding obligation, upon each and all of them, to *work* and VOTE on Election Day. Do this and the THIRD of NOVEMBER, 1857, will be another glorious day in the political annals of Wisconsin.

"Hunting in Couples."

The *News* and *American* having fairly run down the La Crosse & Milwaukee R. R. Company, are now in full cry after Mr. SCHURZ, the Republican candidate for Lieutenant Governor.—True to their Know Nothing instincts, and entertaining, just now, a special grudge against our German fellow-citizens, because they repudiate the Barstow platform and ticket, these twin organs of Pro-Slavery Democracy have singled out Mr. SCHURZ for attack and defamation. At first, they falsely represented that he was not a citizen of the U. S., and was, therefore, ineligible to the office of Lt. Governor. This being exploded, the *News* now copies "an important article" from the Chicago *National Democrat*, designed to show that if Mr. SCHURZ has got his second papers, it must have been through fraud and perjury.

The *American*, not to be outdone by the *News*, continues to indulge in ill-mannered flings at Mr. SCHURZ, and goes so far as to call him "a *rebel* and a *traitor*." In speaking of Mr. SCHURZ we said that "his services in the cause of Liberty, in the Father Land, live in the grateful "memories of his countrymen, at home and "abroad." To this the Know Nothing *American* thus responds:

It does strike us these very words were applied to WASHINGTON, the illustrious Statesman, the Soldier and the Christian, and to use such phrases towards Mr., we can't spell his name—the name in French is *Chemise*—is rather highfalutin, with a squirt of snobbishness in it.

Now as WASHINGTON, the defender of his country, never ran away from it, and Mr. S. is said to have shown himself strong "in the service, in the cause of Liberty and Father Land," we ask how we came to see him in Janesville at the Fair? A patriot would fight and die at home defending Father Land; *a rebel or a traitor would flee his country and her outraged laws.*

It is not singular that the editor of the *American*, considering his national prejudices, should take this view of Mr. SCHURZ's career, but it will sound rather strangely in the ears of the thousands of the expatriated Germans in this State, who have fled from tyranny and persecution at home, to find welcome and protection here, to be told by a leading DEMOCRATIC organ, that they are so many "REBELS and TRAITORS," who have fled their country and "her outraged laws," when they ought to have stayed "to fight and die at home."

"Rebels" and "Traitors" were the epithets bestowed by the minions of the British King upon our own gallant forefathers, when struggling to rid our land of a foreign yoke. And "Rebels" and "Traitors," are the terms applied by the organs of Sham Democracy to those German Republicans, who, after contending long and bravely to free their native land, were overpowered by numbers and forced to abandon home, country and all. CARL SCHURZ distinguished himself in that contest, and after all was over, remained for months, at the imminent peril of his life, in Prussia, intent only upon rescuing from captivity the illustrious KINKEL, a fellow "rebel" and "traitor." He accomplished this gallant purpose and then emigrated to America to enjoy that Liberty which was denied to him and his countrymen at home. Such is the man whose name the *American* "cannot spell," and whose character it is not ashamed to *try* to blacken. His countrymen will take care that he does not suffer from these narrow-minded and ill-mannered Know-Nothing assaults.

HOW IT WORKS.—The vote of the town of Quinduro, Kansas, is nearly ten to one republican, or free State. The *Chindowan* of that place says that about *three-fourths* of the permanent residents of the town are disfranchised by the bogus enactment requiring a six months residence.

A Lie on its Travels.

The Chicago *Times*, a Pro-Slavery and "National Democratic" organ, copies and tries to improve upon the Munchausenisms of its yoke-fellow, the Milwaukee *News*, about Gov. BASHFORD selling his assent to the La Crosse Land Grant bill for $60,000. Here is the *Times'* version of the story:

WISCONSIN CORRUPTION.—A mystery, equal to the Burdell, is perplexing the people of Wisconsin. Gov. Bashford entered office two years ago a poor man, his salary was $1,250 per annum, and he is about to retire rich. How he could do so was a mystery, until the Milwaukee *News* threw light upon the subject. The Governor, much against the wishes of the people of Milwaukee, approved the La Crosse Railroad grant of lands; and for the executive approval $10,000 in cash and $50,000 in bonds was paid. The Milwaukee *News* ought to be ashamed of adding to the long list of corrupt Republican officials, the Supreme Court Governor of Wisconsin. Can anybody tell how much, if anything, was paid to the Supreme Court for making Bashford Governor.

In trying to out-do the *News* the *Times* makes two glaring blunders. The Executive approval of the La Crosse Land Grant Bill, so far from being "much against the wishes of the people of Milwaukee," gave universal satisfaction here and was celebrated by a general jubilee. Our Supreme Court, whose integrity this Doughface organ ventures to impugn, enjoys the entire confidence of the People of Wisconsin, and never more signally illustrated its fearless determination to do its duty, at all hazards, than when it hurled the Usurper BARSTOW from the Executive Office which he had obtained by FRAUD, and threatened, but dared not attempt, to keep it by FORCE.

"SOUR GRAPES."—The Watertown *Anzeiger*, an influential German paper, having repudiated Cross, BARSTOW, and *bogus* Democracy, the *News* thus denounces it:

Long since it had become so weak that its issues had to be forced; it has not been recognized as the organ of the Germans, nor has it had any influence with that element of the party for many months.

In the place of the poor, weak "Anzeiger," the German Democrats of Watertown have started a new and wide-awake paper.

When the *American* was on the Anti-Cross, Anti-Barstow and Anti-La Crosse R. R. tack, some months since, there was nothing too personal, offensive and defamatory for the *News* to say of it and its editor. But now that the *American* has sold out, body and breeches, to the tribe whom it so lately and so vehemently denounced, the *News* overflows with complimentz and civilities towards it. And so of the *Anzeiger*. Only a short time ago, there was nothing too good for the *News* to say of it; but now it is "poor," "weak" and without "any influence." So of the *Grad Aus*, once the special admiration of the *News*, but now the object of its extremest dislike. So of Dr. HUEBSCHMANN, whom, while the Barstow leaders could *use*, they affected to think the world of, but now that he declines to be their tool, they ridicule and abuse him. These are all "sour grapes" to the Barstow and *bogus* Democracy.

☞ The great outcry against Mr. Cross is that being in the Legislature when Mr. Barstow was Governor, makes him a Barstow man! Now we would like to learn the peculiar method by which the *Sentinel* and *Patriot* ring these changes.—*American*.

Mr. Cross voted for all the peculiar measures of the Barstow administration; sustained Barstow's vetoes of the bills repealing the Lunatic Asylum Swindle, providing for an investigation into the different departments, cutting off illegal fees of State officers, &c., and introduced the resolutions at the Young's Hall meeting in this city, *denouncing* the Supreme Court for giving Gov. BASHFORD the office to which the People had elected him, and pledging themselves to back up BARSTOW in his threatened attempt to defy the authority of the Court, override the will of the People, and hold by FORCE what he had obtained by *fraud*. If this brief record does not make out Mr. CROSS to be a pretty good "BARSTOW man," we should like to have the *American* tell us what would.

☞ In these two years the State expenses have been nearly doubled; the State tax will be nearly *half a million of dollars!!* The Legislature—the Republican Legislature—has been the theatre of unblushing frauds. The Governor himself,—who has not heard what corruptions he is charged with?—*News*.

These are average samples of the *News'* fictions. The State tax, instead of being "half a million," is but $825,000, and the *increase* in that tax, under the Republican administration, is a mere trifle compared with the increase of our *City Taxes*, under the Cross administration. We have all heard of the "corruptions" that the Governor and Legislature are "*charged* with;" but as these charges emanate from the *News*—a witness utterly unworthy of belief—and are not supported by a tittle of evidence, they are regarded by the People as mere political calumnies, trumped up for election, in the desperate hope of restoring the Barstow dynasty to power.

☞ V. A. W. Merril has gone to Janesville there to officiate as one of the judges at the State Fair, and consequently the Devil alone is responsible for what matter appears in to-day's papers.—*Prairie du Chien Courier*.

So we judge, by the number of falsehoods and calumnies, most of them copied from the *News* of this city, published in regard to leading Republicans.

ONEIDA BANK, UTICA, N. Y.—An effort having been made to injure the standing of the Oneida Bank at Utica, the President, Cashier and Directors publish a card stating that "the capital of the Bank—four hundred thousand dollars—is unimpaired, and that it has a surplus of over sixty-nine thousand dollars." They guarantee the redemption of its bills. Among the Directors are Horatio Seymour, C. A. Mann, T. S. Faxton and Henry and David Thayer.

KANSAS.—A SOUTHSIDE STATEMENT.—A letter from Kickapoo to the Charleston *Courier*, says that excluding all doubtful men, forty-one out of sixty members of the Constitutional Convention of Kansas, will vote against submitting the Constitution, when framed, to a popular vote. This is explicit, and as the author is a Southern man, apparently known to the editors of the *Courier*, we presume his statements may be relied on.

RAILROAD BRIDGE.—We learn from the Kilbourn City *Mirror* that the timber work for the long span of the La Crosse & Mil. R. R. bridge at that place is all up, and much of that for the short span. The work is so far advanced as to be independent of the scaffolding.

DEATH OF A FAMOUS HORSE.—The stallion *Ticonderago Black Hawk*, which took the first prize at the recent National Agricultural Fair at Louisville, died suddenly last week, and is supposed to have been poisoned. The owner refused him at $10,000, and it is said a few days ago he declined an offer of $8,000 for him.

NEW YORK CITY TAXES.—The amount of Taxes to be raised this year in the city of New York is over $8,000,000. The debt of the city is nearly $20,000,000.

☞ The Oswego, N. Y., *Times*, says that BOOK B. TALCOTT of that place, has been appointed Receiver of the Agricultural Bank of Herkimer, and the Dairymen's Bank of Newport. The *Times* says:

The assets are good of both banks, and the difficulty was that they were not able to redeem their circulation. It is believed that all the creditors, both bill holders and depositors in both institutions, will be paid in full, and the loss, whatever it may be, will rest upon the stockholders only.

ANOTHER LIE NAILED.—A number of prominent citizens of Spirit Lake, Minnesota, have published a statement entirely exculpating Rev. John S. Prescott from the libelous charges made against him by the Red Wing Gazette, and copied and endorsed by the Appleton Crescent.—Mr. Prescott, it seems, is an anti-Slavery man, and the dirty falsehoods alluded to were fabricated by these Border Ruffian prints out of whole cloth.—*Madison Journal*.

Suspension of the Peninsular Bank of Detroit.

The telegraph has already announced the suspension of the Peninsular Bank at Detroit. In the *Advertiser*, of that city, of Friday morning, we find the following card:

"A CARD TO THE PUBLIC.—Owing to the present extraordinary depression of Michigan State Stocks at the Exchange in New York City, the State Treasurer has felt called upon to require the Peninsular Bank to return to him a portion of its issues equal to the amount of such depreciation. This the Bank has declined to do, its officers believing the depression to be but temporary, and that stocks must speedily return to par; and in the present exigency of money affairs, the Bank imperatively needing the benefit of all its available means. The Attorney General has therefore caused a Writ of Injunction to be issued and served on the Bank, restraining it for the present from doing any banking business. The doors of the Bank will be necessarily closed in consequence of this procedure, until the injunction shall have been disposed of.

It is confidently believed that the Bank will be able to resume its business at an early day.—Meanwhile billholders and creditors are earnestly recommended not to sacrifice their claims against the Bank. Its circulation is amply secured by Michigan State Stock, and the resources of the Bank exceed all its liabilities by more than three hundred thousand dollars.

By order of the Board of Directors,
HENRY H. BROWN, Cashier.

GEN. SCOTT AND GEN. PILLOW.

A Card from Gen. Scott.

[From the National Intelligencer, 25th ult.]

My attention has been called to a letter addressed to the people of Tennessee by Gen. Pillow, in which he criticises my campaign in Mexico with the boldness of a master in the art of war, and at the same time eulogises his own services therein with a hearty good will that leaves nothing to be added. I do not propose, at present, to disturb that self laudation, nor to reply to his animadversions on my plans and operations, although he most provokingly mixes up in every statement a small grain of truth with a large portion of fiction, so as to give it with the careless all the effect of gross falsehood. If such tricks can influence the public mind to my prejudice, I shall then begin to regret that I was born an American.

Without, then, entering upon any formal refutation of Gen. Pillow, or defence of myself, I shall proceed at once, in behalf of others, to notice some two or three points in his address, in the way of explanation, and if I chance to go beyond this it will be merely incidental.

Gen. Pillow now says that, by agreement, Mr. Trist engaged to pay to Gen. Santa Anna "cash in hand, as earnest-money, ten thousand dollars," to induce him to entertain negotiations for a peace; and that subsequently Mr. T. told him (Gen. P.) "that Gen. Scott had furnished him (Mr. T.) the money, and that he (Mr. T.) had *paid* the ten thousand dollars."

Being morally certain that Mr. Trist never made such declaration, it is useless to say that I never turned over a dollar to him for such or any other purpose whatever, and am very sure that Mr. T. had not a dollar of public money in his possession while in Mexico; and never more than sufficed for his very moderate expenses in his private purse; and I certify on honor that I never at any time, paid to Gen. Santa Anna, or caused to be paid to him, or to another for his use or benefit, one dollar or more, on any account or in way whatever. President Santa Anna was at the time, as now, worth millions, and had in that office, the irresponsible control of all the pecuniary means of his country. It is hardly probable, therefore, that he would have stooped to pick up a sack of ten thousand dollars in gold, if he had accidentally stumbled upon one in a private walk.

This blunder of Gen. Pillow, grew, no doubt, out of some hint he confidentially picked up about headquarters that I had paid that precise sum "to —— and ——" for important information received and to be continued from the enemy's camps and armies. [See my account current with the War Department of secret disbursements, printed by order of the Senate, February 4, 1847.] It was lucky, therefore, that the names of —— and —— were never confided to Gen. Pillow, as it is certain, from the example before us, he would, contrary to the faith and honor of our country, have published them in full, to the ruin of the parties and their descendants. Even Gen. Santa Anna, if General Pillow's credit be worth anything, could not now return to Mexico, no matter under what pledges, to lead the life of a good and peaceful citizen.

Writing to the Secretary of War from the city of Mexico, February 6, 1848, I said:

I have not reported on the subject of secret disbursements since I left Jalapa, first, because of the uncertainty of our communications with Vera Cruz; and, second, the necessity of such explanations which, on account of others, ought not to be reduced to writing. I may, however, briefly add that I have never tempted the honor, conscience, or patriotism of any man; but have held it as unlawful in morals as in war to purchase valuable information or services voluntarily tendered me."—[Mexican War Correspondence, House Document, No. 60, page 1085.]

And again, at Washington, June 23, 1848, on rendering my account current of secret and other disbursements, and asking for a final settlement, I said:

"I am ready to go, confidentially, into all those different sums of receipt and disbursement with the President, the Secretary of War, or any other member of the Cabinet. I am under an obligation of private and public honor, according to the usages of nations and armies, not to disclose names and circumstances, except as above." * * *

"On the plainest principles and usages of nation of war, and the practice of our Government, in respect to *secret disbursements*, I can, in a few hours, &c.—[See Senate's Executive Document, No. 41, page 56, ordered to be printed, Feb. 4, 1857.]

And that account has been definitely settled on the principles I had proposed.

A word as to Mr. Trist—long in private life, and struggling with honorable poverty—whom General Pillow has so wantonly dragged before the public. He is represented in the address as the cunning and malignant genius who instigated me—otherwise a good enough sort of man—to acts of injustice and persecution. The officers in Mexico, [and Mr. Trist, a distinguished West Pointer, stood with them before the enemy, the brave among the brave] will smile to hear this character of their senior General, and his companion, the negotiator. No man was more admired than the latter for his quiet, unobtrusive manner and amiability. He was eagerly received and honored by all foreigners of distinction, diplomats and others, with whom he came in contact, and under one signal disadvantage negotiated a most important treaty, which was here gladly accepted by the Senate and country. For this great service, he is still without reward.

WINFIELD SCOTT.

New York, Sept. 25, 1857.

Have you heard the News from Maine, Maine, all faith ful and true?"

From last week's Kennebec Journal we receive full returns (nearly all of which are official), from the State election held in that State on the 14th inst.

The Republican victory proves to be more complete and overwhelming than could have been reasonably expected. The result may be thus summed up:

A Republican Governor by *twelve thousand* majority.

Three-fourths of the members of the lower house of the Legislature are Republicans.

Thirty out of the thirty-one State Senators are Republicans, there being one solitary bogus Democrat.

The Republicans have carried every county in the State, the Democrats obtaining *their one* Senator by cheating him in with split tickets.

And all this has been accomplished by the Republicans of Maine, notwithstanding the superior facilities for effective organization, and getting out their voters with little noise and publicity of movement which the one thousand Post Masters and Custom-House officers afforded the Bogus Democrats, and notwithstanding the fact that hundreds of good Republican voters have left the State for the West since last fall's election, and hundreds of others, being busy with their harvest work, did not vote at all.

REPUBLICAN NOMINATIONS.—DODGE COUNTY.—The proceedings of this body are published in another column. We are gratified to state that our fellow townsman, Wm. E. Smith, Esq., received the nomination for senator. It is, we believe the very best nomination that could possibly have been made. Mr. S. is well known in our community—not as a swaggering politician, who makes a living by *policy*—but a reliable, efficient business man, a Republican, true as steel—who will stand or fall for the RIGHT. The very name of Wm. E. Smith is ominous of success, and well may the bogus Democracy shrink from the contest when such a man is their opponent.—*Fox Lake Journal*.

MORE OF THE GAME.—Sanborn, one of the former Lunatic Asylum Commissioners who let the fraudulent contract to Andrew Proudfit, was a member of the Senatorial Convention which, yesterday, nominated Proudfit, and labored diligently to secure this result.

Sanborn is, himself, a candidate for the Democratic nomination to the Assembly in the Western District.

That some big "steal" from the Treasury is in contemplation, is evident.—*Madison Journal*.

By telegraph to the Cork Constitution of Sept. 17.

Atrocities of Nena Sahib at Cawnpore.

Gen. Havelock's force for the re-occupation of Cawnpore had in eight days marched 126 miles and fought four actions with Nena Sahib's army, against overwhelming odds in point of numbers, and had taken twenty-four guns of light calibre; and that too in the month of July, in India.

On the morning of the 17th of July, the force marched into Cawnpore. The soul-harrowing spectacle which there presented itself to them, beggars description. A wholesale massacre had been perpetrated by the fiend Nena Sahib. Eight officers and ninety men of Her Majesty's eighty-fourth regiment; seventy ladies and one hundred and twenty-one children of Her Majesty's thirty-second foot, and the whole European and Christian population of the place, including civilians, merchants, pensioners and their families, to the number of four hundred persons, were the victims of this fatanic act.

The court yard in front of the Assembly rooms in which Nena Sahib had fixed his head quarters, and in which the women had been imprisoned, was swimming in blood. A large number of women and children who had been cruelly spared after the capitulation for a worse fate than instant death, had been barbarously slaughtered on the preceding morning—the former had been stripped naked, and their beheaded and throwp into a well; and the latter were hurled down alive upon their butchered mothers whose blood reeked on their mangled bodies. Only four escaped, the wife of a merchant and three others.

General Havelock, in a dispatch to the Governor General, says that "Nena Sahib had drowned himself with his whole family. He had an intention of going to Lucknow, but when he got as far as the river the cavalry and infantry deserted him. They are all gone off after destroying their arms, to their different homes. Cawnpore is now as quiet as Allahabad."

THE HARVEST.—We are having an unprecedented experience. With the most plentiful harvest on hand ever reaped, the produce traffic stagnates. Western barns and storehouses are filled with grain and flour—but they are locked up by the panic. Ships and steamers are aground, due to carry them to market, but they are laid up by the panic. Western dealers anxious to ship, cannot sell. Eastern dealers anxious to purchase, cannot buy—on account of the panic. Until the panic subsides the Banks cannot loan money to the Produce Merchants. Until they get money, the Produce Merchants cannot buy grain of the farmers. Until they sell grain, the farmers cannot pay their debts to the country stores. Until they collect debts, the country storekeepers cannot go to New York to buy new goods, or pay for old ones. And without the country trade the New York merchants cease to do business, or fail. Thus it happens that with breadstuffs enough to supply the world, on one hand; and a world waiting to be supplied with them on the other, we are yet unable to carry one bushel in a hundred to market.—*Albany Eve. Jour.*

THE CROPS.—We have conversed with several farmers within the last few days respecting the crops, and they all acknowledge that the yield far exceeds their most sanguine expectations. One of them said, that he could better afford to sell at the present market rates than he could last year, for the reason that he had received such an abundant yield; and that it was his intention to dispose of them without delay and pay his debts. We hope that farmers generally will follow his example.—*Jeffersonian*.

MACHINERY FOR MINNESOTA AND THE BLACK RIVER COUNTRY.—A large number of Engines, Portable Saw Mills, Machinery and fixtures have been reshipped from this point for the lumbering county above. We perceive that much of the machinery that reaches here is manufactured in Milwaukee, and some comes from Janesville.—There is a great lumbering county north of us, the resources of which are to be developed and made fit for market, by the aid of the very machinery shipped from this port.—*Prairie du Chien Courier*.

GOING AHEAD.—An Engine, several platform cars, truck, &c., have been put over the river, and the track-laying on the other side will be pushed with increased facilities. Over three miles of track are already laid and ballasted west of the river, and probably five or six miles more will be laid before the cars can cross the bridge. Sufficient iron for that distance is already on the west side.—*Kilbourn City Mirror*.

WITHOUT QUESTION

The Great Book of the year is the new Tale by the authoress of the "Lamplighter,"

"MABEL VAUGHAN."

MISS CUMMINGS, the authoress, has written a story which, for elegance of diction and thrilling interest, has rarely been equalled by any American book. The quaint lore she has been repeatedly asked—as Miss Cummings write another book equal to "the Lamplighter?" We can answer this question now with perfect assurance, not only from our own personal knowledge, but from the unqualified testimony of the literary gentlemen of Boston, who have read the work with great care; both of whom pronounce it a superior book to the first, and that it will add immensely to her previously well-earned and world wide reputation. It is a handsome volume of 500 pages. Price $1,00.

THE DAILY SENTINEL.

REMARKABLE MARRIAGES.—Of the many Chinamen in New York, not a few keep cigar stands upon the Sidewalks. Their neighbors in trade are the Milesian applewomen. Twenty eight of these applewomen have gone the way of matrimony with their elephant-eyed olive-skinned contemporaries, and the most of them are now happy mothers, in consequence. The physiologists aver, that the human being is improved as is the domestic branch of the quadrupedal animals, by "crossing." If this is true—and we suspect that it is—the natives of this country ought to be remarkable for strength and beauty; for, surely there never was such a mixture of races in any part of the world. Representatives of all nations have located and married here. We know of two Bedouin Arabs, part of an exhibiting troup that came to this country several years ago, who married wives and are rearing offspring in one of the Hudson river counties. Siam has its representatives here in the famous twins, and in one of the up-town streets a wealthy native Moroco domicilates with a Westchester county spouse. The mixture of Dutch, Italian, French, Spanish, English, Irish, Danish, Swedish, &c., is perfectly bewildering, but the amalgamation of the Irish and the Chinese, is more than bewildering—it begets a chaos of ideas from which no ray of intelligibility can be safely eliminated. Imagine a section of this stock chatting gaily about "Josh" to one moment, and speaking of his father Ping Sing Chi, and, in the next, whistling a shillelah at a primary election, and swearing that he goes in, tooth and nail, or, rather body and breeches, for the nomination of his mother's brother, Patrick O'Dowd. Oh, what a country is this.—*N. Y. Mercury.*

LIFE-SIZE PHOTOGRAPHS.—The art of Photography is advancing rapidly and steadily towards perfection. The imperial photograph has been generally deemed the finest achievement in the department thus far,—but Messrs. BRADY & EVANS have gone a step further and have produced *full-length* photographic portraits *the size of life*. These are the first of the kind ever made in the world, and are well worthy of examination, not simply as curiosities, but as works of art.—Two of them are groups of three figures each,—and the other is a splendid full-length likeness of the popular *prima donna*, FREZZOLINI. The pictures are in size about seven feet by four, and are as accurate likenesses as any of the smaller photographs in the gallery. By some means or other, moreover, the artists have overcome the leading defect of this art,—which consists in exaggerating the size of that portion of the object which happens to be in the foreground. These pictures are not taken directly from life, but from smaller ones upon glass, magnified. We understand that two of them will probably be sent to the Crystal Palace for exhibition to-day or to-morrow. They are certainly very remarkable productions.—*N. Y. Times.*

AN APOSTROPHE WORTH EIGHT THOUSAND POUNDS.—Monsieur de M——— died on the 27th of February last, leaving a will, entirely in his own writing, which he concluded thus:—" And to testify my affection for my nephews, Charles and Henri de M———, I bequeath to each *d'eux* (i. e., of them) (or *deux, i. e.*, two) hundred thousand francs." The paper was folded before the ink was dry, and the writing is blotted in many places. The legatees assert that the apostrophe is one of those blots; but the heir-at-law, a legitimate son of the defunct, maintains, on the contrary, that the apostrophe is intentional. It will be curious to watch the result of the contest.

AUCTION SALE OF LOTS in the 6th Ward, Wright's Addition, adjoining Sherman's. This new known addition has been placed on our hands to be disposed of to those who will build, and improve.—The confidence which we feel in the intrinsic value of this property, and the knowledge we have of the demand which exists for it, induces us even at this time to offer it at Public Auction.
Every resident of the ward is perfectly familiar with the location of these lots. They have hitherto been kept out on account of the owner, notwithstanding the superior advantages which they offer for residences, but the growth, demand for them and the desire to improve the value of the residue of the property, induces him to offer a few of them on terms which will induce others to come on and purchase, so that both he and themselves may benefit by the enhanced value will be given by their improvements. The size of the lots, 50X100, is of itself a great consideration to persons building, as it affords space for raising cabbages and other vegetables, which will repay the labor bestowed on them. The sale will take place at our office on Michigan Street, at 10 o'clock in the forenoon of the 20th inst.
